

Taipei, October 2022

## **President's Message**

It is my honor in September 2022 to take over the Presidency of the Swiss Association in Taiwan. Here are some of my goals for the next 12 months.

### **Objectives:**

- **Increase membership.** I'd really like to see the association get over the 100-member mark again. We must have more Swiss given that our statutes call for 50% being Swiss.
- **Professional and fun.** I expect the association to act professionally, but that our events are ones that people come to because they have a good time.
- **Stay in good financial health.** We are in very good shape financially now, but we want to make sure that, although we might spend more to subsidize certain events, we commit to maintain financial stability.
- **New initiatives.** Some of our committee members have brought up good suggestions to see if we can make the membership younger, maybe do events in other cities, increase activities. They sound like good initiatives worth pushing.
- **We look to maintaining a strong relationship with TOSI out Swiss Representative Office as well as with other offices, representations and associations**
- 

Thank you for your confidence. Please let me know if you have any questions or suggestions, by writing to [president@siwssclub.tw](mailto:president@siwssclub.tw) and I will get back to you as soon as possible.
